

## Harmony Puppet Theatre Online 2021

Dear Friends Puppeteer,

We would like to invite our puppeteer friends to take part in the creation of an online venue, a joint space to mount puppet shows from around the world: The Harmony Puppet Theatre!

The Harmony Puppet Theatre Online is designed to feature puppet shows from all over the world, with a total of 10 spaces which audience members can enter to see scheduled performances.

Upon entering, audience members can register at The Box Office where they will be given a password ticket. They can use this password to enter any of the theatre spaces that interest them and watch the performance.

After the performance audience members can help support the show by making a Tip Donation to the puppet troupe. 10% of the tip will be deducted to cover operation costs and the remainder will be transferred as a donation to the performing puppet troupes. With this system, performers will receive support in the form of a clear donation for every show.

Each show will be available to watch for a total of 2 months before the programmed is updated with new performances. Shows that have granted permission will be moved to the Harmony World Puppet Channel for continued showing.

For Public Benefit

All shows that submit for inclusion in the Harmony Puppet Theatre, must follow these guidelines:

1. A runtime of not less than 10 and not more than 60 minutes.
2. Should be filmed in a quality suitable for broadcast.
3. Any shows that include copyrighted music or cite any copyrighted material must have clear permission from the copyright holder to use them in the performance.
4. Let us know if a submitted clip has already been loaded onto YouTube, or onto any other online broadcaster, so we may consider its inclusion in the Harmony Puppet Theatre in order to avoid duplicates.
5. Submitted videos may be prior performances or new ones, but should have new editing and/or graphics intended for presentation in this online puppet theatre.

6. Each troupe may use the link for the puppet theatre in their public relations and target groups so that more audience members can come and help to support each and every participating performer.

The online Harmony Puppet Theatre will begin accepting troupes interested in joining the Harmony Puppet Theatre Festival Online 2021, 1-5 April 2021, a five-day event with a total of 30 performances, which will be open to viewers from all over the world. Each performance will receive a Tip Donation starting at 2,000 Thai Baht.

Submissions are being accepted from today until 20 March, 2021. Shows selected for inclusion in the Harmony Puppet Theatre will be informed by 25 March, 2021.
